ARIA® 2R

Casting 600 lumens, the compact and rechargeable ARIA® 2R headlamp was specifically designed to be used by tradespeople and maintenance professionals. Durable, it is fall and impact resistant. It is also waterproof and dustproof, making it suitable for various work conditions. Easy to use, with a single button for controlling all lamp functions. The wide, uniform beam provides comfortable proximity lighting and the mixed beam makes moving around easier. It is convenient and can be worn on the head, around the neck, and on different types of helmets, using mounting plates that are available as accessories. ARIA® 2R comes with the CORE rechargeable battery and also works with three standard batteries, thanks to its HYBRID CONCEPT design.

Compact, the ARIA® 2R headlamp can be easily stored in a toolbox.

The wide, uniform beam provides comfortable lighting for close-range work and the mixed beam makes moving around easier.

Dustproof and waterproof (IP67), impact resistant (IK07), and fall resistant up to 2 meters, the headlamp is ideal for professional work conditions.

HYBRID CONCEPT design: ARIA® 2R comes with the CORE rechargeable battery and also works with 3 standard batteries. The headlamp automatically detects the energy source and adjusts lighting performance.

Short Description
